Newsletter April 2011

Hello Menomonie Archery Club Members!

3D ARCHERY SHOOTS

Our January, February, and April 3D Archery Shoots are now behind us. Unfortunately, mother nature was not cooperating with us for the January and February shoots and turnout was down. In January we had a total of 38 shooters and in February we had a total of 25 shooters. The good news is that in April the weather was much more cooperative and we had a total of 116 shooters. We have two shoots left for 2011 and they are scheduled for July 16-17 and August 27-28 (4th Annual Jamboree). Please keep in mind that we can always use helpers to set the course up prior to each shoot, as well as every day of the shoots.

WINTER ARCHERY LEAGUE

The winter archery league was a success with a total of 22 teams. Congratulations to the first place team of John Neubauer and Tom Secord! We look forward to another successful league starting in January 2012.

ANNUAL MEETING

The Menomonie Archery Club annual meeting is scheduled for Thursday, May 5th at 7p at the Club house. The meeting is open to all club members. At this meeting we will hold elections for officer positions of President, Vice President, Treasurer, and Secretary. Officer positions are a one year term. In addition, the Building/Grounds and Advertising committee board members are up for election for a two year term. Any club member can nominate any other club member for any one of these positions. It's important that you vote for your officers and committee board members! Another topic on the agenda for this meeting is memberships. We will be looking at the membership fees as well as discuss a working vs. non-working membership.
